

State of Georgia COVID-19 Summer Camp Guidelines

1. Display a sign at any entrances to telling campers/parents that they cannot enter if they have COVID-19 or if they have been in contact with someone who has COVID sometime during the last 14 days.
2. Display a sign or poster at any entrance that reminds patrons that your site has
 - a) enhanced sanitation procedures
 - b) practices social distancing (Six Feet)
 - c) tests for elevated temperatures (cannot be 100.4 Fahrenheit or above)
3. Remove campers or staffers that become symptomatic.
4. Sign campers in and out in a contactless manner.
5. Stagger campers while waiting for temperature checks when possible.
6. Have campers use hand sanitizers as they enter the camp site.
7. Do not invite or have "guest speakers" or other outsiders into the camp area.
8. Do not go on camp field trips.
9. Train staffers about all new COVID guidelines.
10. Designate a sick area for campers or staffers to go to while waiting to go home.
11. Limit the number of campers and staff to a total of 20 per space.
12. Keep the same staff with the same campers all week.
13. Do not combine two sets of campers together for an activity.
14. Create a special spot for each camper to put lunchboxes and other belongings.
15. Don't use a room, a piece of equipment, or supplies that cannot be sanitized.
16. A set of campers should go to bathroom breaks, water fountains, or other rooms separate from other set of campers.
17. Clean the camp equipment after each group use.
18. Administrators visit and observe camps to make sure guidelines are followed.
19. No swimming.
20. Keep other building visitors separated from campers.

- 21.** Provide hand sanitizing stations.
- 22.** Have campers sanitize after visiting restroom and after eating.
- 23.** Camper snacks and lunches should be sealed and labeled.
- 24.** Eat separately.
- 25.** Wear gloves when helping campers open their food packaging.
- 26.** Do not transport campers in vans or other vehicles.
- 27.** Clean and sanitize restrooms and frequently touched surfaces two times during camp hours.
- 28.** Give personal protective equipment (PPE) to campers and staffers as appropriate.
